

Welcome to I.T.P.'s empty cartridge and mobile phone collection program and thank you for choosing to recycle with us.

Our beneficial list which follows, is a comprehensive listing of all the toner cartridges, inkjet cartridges, fuser units and maintenance kits that are of financial benefit to you, our supported charities, clubs and schools.

In order to qualify for a free collection, you must have the minimum number of cartridges, mobile phones, fusers or maintenance kits marked 'yes' on our beneficial list, as applicable to the recycling scheme that you are participating in. Once you have this minimum number of units of benefit we will then also happily collect any other items marked 'take for free' or 'TFF'.

*That's it!*

To book your free collection please call us on **0118 943 8001**, email us at **empties@itp-group.com** or visit **www.itp-empties.com**.

Please ensure your cartridges are packaged carefully for transit as a damaged cartridge has no value.

We also accept new, unused cartridges that may be surplus to your requirements, please ask for details.

*Now here's the small print, sorry!*

- Free collection applies to the UK mainland only.
- Products marked 'yes' are for original OEM cartridges, not third party compatibles or previously recycled cartridges unless stated.
- Any items returned that are not on our list will be subject to a waste charge of £1.00 per toner bottle/tube/container or £1.00 per KG for printer cartridges.
- Any of the following cartridges will be treated as waste and waste charges will apply:
  - Compatible or new build cartridges including Lexmark and Xerox compatible HP cartridges.
  - Pre-tested cartridges with failed print heads, developer rollers etc.
- Mobile phones qualifying criteria is subject to age, quality and inspection.
- E&OE
