

Tradelist

Our 'Trade List' is published each month to keep our customers, suppliers and collectors up to date with all the various types of cartridges and fusers that we sell, buy and collect.

The list is extensive and will for instance include products that we are not looking to buy but may have available to sell. If you wish to see a smaller selection of this month's 'hot' cartridges that we are looking to buy, please ask for our 'Most Wanted' list.

Buying or selling to us could not be easier. Just fill in the quantities you have or require along with your prices and email or fax the list to us at **empties@itp-group.com** or **+44 (0)118 943 9001**. Once received, one of our experienced multilingual trading team will be in touch with you to make a deal.

We also buy new, unused cartridges that may be surplus to your requirements, please ask for a quote.

Our logistics team can arrange collection and delivery all over the world, so location is no barrier.

That's it!
